

On-farm ag plastics pick-up

Cleanfarms is now offering free on-farm pickup of select ag plastics from high-volume growers across Western Canada!

To qualify for on-farm pickup...

Growers must have (or be willing to accumulate) a partial truckload of material:

Minimum quantities to qualify for free pickup:	Crop Input Packaging			Grain Bags
				
	Containers up to 23L	Bags & large tote bags	Totes & drums	Grain bags
	Ag Chem Jugs	Seed, Pesticide & Inoculant Bags	Drums & Totes	Grain Bags
	25 bags of jugs	25 bags of bags or 100 bundles of bags or a HTL combination of bags and bundles	100 drums or 30 totes or a HTL combination of drums & totes	30-40 grain bags
Additional information	Must be rinsed & bagged.	Must be empty & bagged/bundled.	Must be non-deposit pesticide & fertilizer drums & totes made by Cleanfarms member companies.	Must be mechanically rolled.
Smaller amounts may still qualify for free on-farm pickup. Contact us to learn more.				

The farm/business will ensure that:

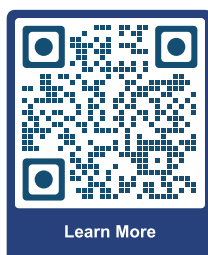

- The material is prepared properly.
- Once prepared, ensure that material(s) is (are) easily accessible, free from obstruction, and on a solid/flat surface. The material(s) must be located at one central location on the farm/business for pickup.
- Someone will respond to Cleanfarms contractors to schedule a pickup date.
- On the day of material pickup, ensure that someone at the farm/business location is available to provide loading assistance to the driver.

To get started...

Email info@cleanfarms.ca with the subject line "Free on-farm pickup" and provide:

- your farm name
- your address and contact information
- the quantity of material for pickup

Please note: combination loads of crop input packaging and grain bags will not be permitted at this time as different contractors collect each material.

Learn More

Alberta – no combination loads. Must meet minimum within each category.

Saskatchewan – combination of all crop input packaging is permitted (i.e. 10 bags of jugs + 10 bags of bags + 10 totes is permitted)

Manitoba – combination of crop input bags/bundles will be permitted (i.e. 15 bags of jugs + 15 bags of bags)
