

DUST CONTROL POLICY

Any ratepayer who wishes to have dust control on a RM road may make a request to their councilor or the RM office. Council to approve the dust control application as requested at the April Regular Meeting.

If the request is for a personal driveway/access the cost shall be full responsibility of the ratepayer.

Cost shall be shared 50% the ratepayer and 50% by the R.M. up to the **maximum** of 200 meters. Cost for over 200 meters, is ratepayers expense.

Dust control will be offered only every two years.

Unpaid accounts will be put on taxes at the end of year and will be subject to tax enforcement. No future application will be made until payment is received in full.

Grading as per Council/Foreman decision.

Administrated by the office.

Available to any ratepayer within the R.M. of Reno No. 51.
