

Main Farm Access Gravel Policy

Main Farm Access definition- Road in from the main municipal road to the occupied dwelling yard.

The Rural Municipality of Reno No. 51 will assume the cost of gravel, hauling, and loading for ratepayers for each occupied dwelling eligible once every 3 years. Council to approve all farm access gravel.

Gravel for Main Farm Access is applied at a rate of 100 yard/mile or a 10-yard load if driveway is shorter.

If driveway is shorter and all 10 yards is not used the remainder of the 10-yard load can be dumped in ratepayers' yard.
