

## BACKSLOPING AGREEMENT

(Beyond the right-of-way)

This agreement made in duplicate this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_

BETWEEN: The Rural municipality of Reno No. 51 (hereinafter referred to as “the Municipality”)

and: \_\_\_\_\_ of the postal district of Consul in the Province of Saskatchewan, (hereinafter called “the Grantor”), being the registered Owner or Lessee of:

Land Location:

The Grantor hereby grants permission to the Municipality or its authorized agents to enter upon the land, together with road building equipment for the purpose of making all necessary sloping and back sloping which may be necessary for the reconstruction of the municipal road adjoining the said land and the right to remove and use the soil, clay, sand, and gravel on the land as may be required for the above purpose.

It is further agreed that:

1. The Municipality will ensure that any topsoil removed during the said Construction will be replaced.
2. Compensation for crop damages outside the right-of-way will be paid at a rate to be agreed upon after damages have been determined.
3. Removal and Replacement of Fences to be at \$5000.00/mile for permanent fence and \$600.00/mile for a temporary fence. \$5000.00/mile for replacement of fence will only be paid if fence is replaced within one year after removal.

Agreed this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_
